This immaculately presented Wisdom home is located in one of the most popular and convenient parts of The Ponds. Within walking distance to the local primary and high schools, The Ponds Community Hub and Shopping Centre the location is perfect. With public transport almost at your door and walking distance to the new train station at Cudgegong Rd, and a park opposite, this home must be on your list to inspect. Looking very conventional from the front this home is deceptively well laid out and functional for family living and entertaining.

- 4 good sized bedrooms, 2 with built-ins, the master with walk in robe and ensuite

- Spacious living areas including sunken home theatre and open plan meals and family room which flows onto the expansive outdoor entertainment area
